

Assessment of Prevention, Diagnosis, and Treatment Options

Advisory Panel

April 19-20, 2013

Patient-Centered Outcomes Research Institute

Program Introduction and Overview

1 pm – 1:30 pm

David Hickam, MD, MPH

**Program Director
Assessment of Prevention, Diagnosis, and
Treatment Options
PCORI**

Advisory Panel Topic Selection Process

Goal: Generate a list of five prioritized topics.

1. Public Input: PCORI received 1,393 research questions via the Web. 594 related to Assessment of Options.

Score

2. Topic Selection: PCORI staff selected 20 topics in the Assessment of Options category (see Orientation guide).

Discuss

3. Panel Review: 20 topic briefs inform prioritization based on PCORI research criteria.

Rank

4. Board Approval: high-priority topics will be considered for funding announcements from PCORI.

Discussion of Topic Briefs

1:30 pm – 3:30 pm

Format (12 minutes per topic)

1. Background (3-5 minutes)

- *What is the important clinical question?*
- *What are the gaps in current research?*
- *Could research close these gaps?*

2. Discussion (7-10 minutes)

- *Does the topic meet the 5 PCORI criteria?*

Break

3:30 PM – 3:45 PM

Patient-Centered Outcomes Research Institute

Discussion of Topic Briefs - *continued*

3:45 pm – 5:45 pm

Format (12 minutes per topic)

1. Background (3-5 minutes)

- *What is the important clinical question?*
- *What are the gaps in current research?*
- *Could research close these gaps?*

2. Discussion (7-10 minutes)

- *Does the topic meet the 5 PCORI criteria?*

Adjourn
5:45 PM

Patient-Centered Outcomes Research Institute

Recap of Day 1: Address Questions or Concerns

8 AM

Patient-Centered Outcomes Research Institute

Discussion of Topic Briefs: Review Tabled Items

8:15 am – 9:15 am

Format

1. Background

- *What is the important clinical question?*
- *What are the gaps in current research?*
- *Could research close these gaps?*

2. Discussion

- *Does the topic meet the 5 PCORI criteria?*

Ranking of All Topics

9:15 am – 10 am

- **Expert Choice**
 - **Objectives** are the PCORI criteria
 - **Alternatives** are the short topic titles
 - Scoring: 5 (high) – 1 (low)

Break

10 AM – 10:15 AM

Patient-Centered Outcomes Research Institute

Discussion of Future Research Directions

10:15 AM – 12:15 PM

Patient-Centered Outcomes Research Institute

Discussion of Top-Tier Topics

1:15 pm – 2:45 pm

- **Did the right questions end up in the top 5?**
- **What's missing?**

Break

2:45 PM – 3 PM

Patient-Centered Outcomes Research Institute

Final Selection of Top-Tier Topics

3 pm – 3:15 pm

- **Survey Gizmo**
 - **Rank top-tier items**
 - **1 (top priority) to 5 (lowest priority)**

Break

3:15 PM – 3:30 PM

Patient-Centered Outcomes Research Institute

Conclusions and Next Steps

3:30 PM – 4 PM

Patient-Centered Outcomes Research Institute

Adjourn
4 PM

Patient-Centered Outcomes Research Institute
