4. Does Recipient have a Conflicts of Interest Policy or Guidelines that meets the requirements of the federal financial conflicts of interest regulations of the US Public Health Service (http://grants.nih.gov/grants/policy/coi/) that it applies to PCORI-funded research?

   ☑ YES ☐ NO (See Question 5)
5. If you checked “No,” Recipient must provide information describing how Recipient will ensure that the PCORI-Funded Research Project is not influenced by conflicts of interest.

6. Report the existence of any financial or personal interests or associations of Recipient, Principal Investigator, and Key Personnel related to the PCORI-Funded Research Project under this Contract that constitute a conflict of interest. Attach the management plan that addresses identified conflicts of interest.

Print “None” if Recipient, Principal Investigator, and Key Personnel have no financial or personal interests or associations that constitute a conflict of interest. (Attach additional documents, if needed).

The I-PASS Patient Safety Institute (Drs. Landrigan, Sectish, Starmer, Spector, Srivastava, West).

The Recipient informed PCORI that grant funds would not be used to support I-PASS Patient Safety Institute activities, to which PCORI reported having no concerns about overlap. The I-PASS Patient Safety Institute was not involved in any part of this study and has no current or past involvement in family centered communications. Moreover, Dr. Chris Landrigan, as well as Drs. Sectish, Starmer, Spector, Srivastava, and West, has not and will not serve in any executive or management position in the I-PASS Patient Safety Institute, either formally or informally. Dr. Landrigan has not and will not use his position as Research Director on the Inpatient Pediatrics Service within the Department of Medicine at Boston Children’s Hospital, or as the PI of “Bringing I-PASS to the Bedside: a Communication Bundle to Improve Patient Safety and Experience,” to further his financial interests or the interests of the I-PASS Patient Safety Institute. Drs. Landrigan, Sectish, Starmer, Spector, Srivastava, and West’s consulting to the I-PASS Patient Safety Institute has been and will be limited to providing general advice, guidance, and insight (See attached).

Dr. Alisa Khan has no conflicts of interest to report.

7. Please list any direct or indirect links to industry (such as pharmaceutical, medical device, health insurance, and other healthcare-related companies) that Recipient has related to the PCORI-Funded Research Project.

Print “None” if there are no direct or indirect links to industry as described above. There is no need to include disclosures here that are reported under Question 6 above. (Attach additional documents, if needed).

See above.

8. If Recipient has any additional material information relating to disclosures or management of conflicts of interest, or other protections against bias pertinent to the PCORI-Funded Research Project, please describe it here. Print “None” if there is no additional material information as described above.

None.

The undersigned certify that the above information is complete and true to the best of their knowledge and understand that this completed form, with these disclosures, will be made publicly available by PCORI in conjunction with the research findings relating to the Research Project. Both the Administrative Official and Principal Investigator must complete and sign one form.
