4. Does Recipient have a Conflicts of Interest Policy or Guidelines that meets the requirements of the federal financial conflicts of interest regulations of the US Public Health Service (http://grants.nih.gov/grants/policy/col/) that it applies to PCORI-funded research?
   - YES
   - NO (See Question 5)

5. If you checked "No," Recipient must provide information describing how Recipient will ensure that the PCORI-Funded Research Project is not influenced by conflicts of interest.

N/A

Ancillary Information/COI Disclosure Research Project Form Revised July 24, 2017
6. Report the existence of any financial or personal interests or associations of Recipient, Principal Investigator, and Key Personnel related to the PCORI-Funded Research Project under this Contract that constitute a conflict of interest. Attach the management plan that addresses identified conflicts of interest.

Print “None” if Recipient, Principal Investigator, and Key Personnel have no financial or personal interests or associations that constitute a conflict of interest. (Attach additional documents, if needed).

None

7. Please list any direct or indirect links to industry (such as pharmaceutical, medical device, health insurance, and other healthcare-related companies) that Recipient has related to the PCORI-Funded Research Project.

Print “None” if there are no direct or indirect links to industry as described above. There is no need to include disclosures here that are reported under Question 6 above. (Attach additional documents, if needed).

Jerry Jarvik is a co-founder and stockholder of PhysioSonics, a high intensity focused ultrasound company. In the past 3 years, he has served as a consultant for UpToDate (Wolters-Kluwer) and HealthHelp, a radiology benefits management company, as well as a consulting medical editor for Google. None of these relationships have been classified as a conflict of interest.

No other investigators have any direct or indirect links to industry.

8. If Recipient has any additional material information relating to disclosures or management of conflicts of interest, or other protections against bias pertinent to the PCORI-Funded Research Project, please describe it here. Print “None” if there is no additional material information as described above.

None

Ancillary information/COI Disclosure Research Project Form Revised July 24, 2017
The undersigned certify that the above information is complete and true to the best of their knowledge and understand that this completed form, with these disclosures, will be made publicly available by PCORI in conjunction with the research findings relating to the Research Project. Both the Administrative Official and Principal Investigator must complete and sign one form.

Administrative Official:

Signed: 

Print Name: Chrishalodebany Jackson
Grant & Contract Administrator
Authorized Signing Official
Office of Sponsored Programs

Date: 11/27/17

Principal Investigator:

Signed: 

Print Name: Danielle Lavallee, PharmD, PhD
Title: Research Associate Professor

Date: 11/21/17
