

**Ancillary Information Conflicts of Interest Disclosure Form
Relating to PCORI-Funded Research Project**

All fields are required.

Contract Number: **CDR-1403-12221**

1. Name of Recipient (Awardee Institution):

Trustees of Dartmouth College

2. Name of PCORI-Funded Research Project:

The Comparative Effectiveness of Patient- and Provider-Directed Strategies for Increasing Shared Decision-Making in Reproductive Health Care

3. Names and Institutions of Principal Investigator (PI) and Key Personnel:

Name:	Role:	Recipient (Awardee Institution):
Rachel Thompson	Principal Investigator	Trustees of Dartmouth College

Key Personnel Name:	Institution:
Maureen Boardman	Trustees of Dartmouth College
Glyn Elwyn	Trustees of Dartmouth College
Tina Foster	Trustees of Dartmouth College
Ardis Olson	Trustees of Dartmouth College
Tor Tosteson	Trustees of Dartmouth College

4. Does Recipient have a Conflicts of Interest Policy or Guidelines that meets the requirements of the federal financial conflicts of interest regulations of the US Public Health Service (<http://grants.nih.gov/grants/policy/coi/>) that it applies to PCORI-funded research?

YES

NO (See Question 5)

5. If you checked “No,” Recipient must provide information describing how Recipient will ensure that the PCORI-Funded Research Project is not influenced by conflicts of interest.

-
-
-
6. Report the existence of any financial or personal interests or associations of Recipient, Principal Investigator, and Key Personnel related to the PCORI-Funded Research Project under this Contract that constitute a conflict of interest. Attach the management plan that addresses identified conflicts of interest.

Print “None” if Recipient, Principal Investigator, and Key Personnel have no financial or personal interests or associations that constitute a conflict of interest. (Attach additional documents, if needed).

Rachel Thompson does not have any financial or personal interests or associations related to this research project that constitute a conflict of interest under the Dartmouth College Conflict of Interest Policy.

The Dartmouth Conflict of Interest Committee found a conflict of interest related to Glyn Elwyn’s financial interest in Option Grid patient decision aids. The committee decided on conflict of interest management in the form of disclosure of the financial interest (a) in related publications, presentations, grant submissions and contracts, (b) to students, postdocs and other personnel working on projects related to Option Grids as needed, and (c) to research participants in consent forms as appropriate.

Maureen Boardman, Tina Foster, Ardis Olson and Tor Tosteson do not have any financial or personal interests or associations related to this research project that constitute a conflict of interest under the Dartmouth College Conflict of Interest Policy.

With regards to the Recipient no financial conflict of interest has been identified.

7. Please list any direct or indirect links to industry (such as pharmaceutical, medical device, health insurance, and other healthcare-related companies) that Recipient has related to the PCORI-Funded Research Project.

Print “None” if there are no direct or indirect links to industry as described above. There is no need to include disclosures here that are reported under Question 6 above. (Attach additional documents, if needed).

No direct or indirect links to industry related to this research project have been identified.

8. If Recipient has any additional material information relating to disclosures or management of conflicts of interest, or other protections against bias pertinent to the PCORI-Funded

Research Project, please describe it here. Print "None" if there is no additional material information as described above.

None

The undersigned certify that the above information is complete and true to the best of their knowledge and understand that this completed form, with these disclosures, will be made publicly available by PCORI in conjunction with the research findings relating to the Research Project. Both the Administrative Official and Principal Investigator must complete and sign one form.

Administrative Official:
