

**Ancillary Information Conflicts of Interest  
Disclosure Form  
Relating to PCORI-Funded Research Project**

1. Name of Recipient: Outcome Sciences, Inc.

---

2. Name of PCORI-Funded Research Project: Comparing Patient-Centered Outcomes after Treatment for Uterine Fibroids

3. Names of Principal Investigator (PI) and Key Personnel:

Priscilla Velentgas (PI)

---

Aaron Mendelsohn, Project Director (no longer with QuintilesIMS)

---

Alexandra Palmer, Project Manager

---

---

---

4. Does Recipient have a Conflicts of Interest Policy or Guidelines that meets the requirements of the federal financial conflicts of interest regulations of the US Public Health Service (<http://grants.nih.gov/grants/policy/coi/>) that it applies to PCORI-funded research?

YES

NO

5. If you checked "No," Recipient must provide information describing how Recipient will ensure that the PCORI-Funded Research Project is not influenced by conflicts of interest.

Dr. Velentgas and key personnel have disclosed all potential conflicts of interest at each required point in the research funding and implementation process. None of the key personnel hold direct interest in any of the treatments or companies whose products are included in the study, or receive direct consulting fees of any kind from them.

---

6. Report the existence of any financial or personal interests or associations of Recipient, Principal Investigator, and Key Personnel related to the PCORI-Funded Research Project under this Contract that constitute a conflict of interest. Attach the management plan that addresses identified conflicts of interest. Please print "None" if Recipient, Principal Investigator, and Key Personnel have no financial or personal interests or associations that constitute a conflict of interest. (Attach additional documents, if needed).

Priscilla Velentgas, Principal Investigator, has no conflicts of interest to report related to this study. She does not receive any payments or consulting fees from any pharmaceutical or medical technology companies, including any whose products may be included in the analyses for the contracted study. She is employed full-time by QuintilesIMS, a contract research organization which conducts research for most of the world's pharmaceutical and biotechnology companies.

---

---

---

---

---

---

---

7. Please list any direct or indirect links to industry (such as pharmaceutical, medical device, health insurance, and other healthcare-related companies) that Recipient has related to the PCORI-Funded Research Project. There is no need to include disclosures here that are reported under Question 6 above. (Attach additional documents, if needed).

None additional to the above, only employment by QuintilesIMS.

---

---

---

---

---

8. If Recipient has any additional material information relating to disclosures or management of conflicts of interest, or other protections against bias pertinent to the PCORI-Funded Research Project, please describe it here.

None

The undersigned certify that the above information is complete and true to the best of their knowledge and understand that this completed form, with these disclosures, will be made publicly available by PCORI in conjunction with the research findings relating to the Research Project.
